Economics In One Lesson

Hazlitt wrote Economics in One Lesson, his seminal work, in 1946. Concise and instructive, it is also deceptively prescient and far-reaching in its efforts to dissemble economic fallacies that are so prevalent they have almost become a new orthodoxy.

Economics in One Lesson: The Shortest and Surest Way to ...

Economics in One Lesson by Henry Hazlitt This primer on economic principles brilliantly analyzes the seen and unseen consequences of political and economic actions. In the words of F.A. Hayek, there is "no other modern book from which the intelligent layman can learn so much about the basic truths of economics in so short a time."

Economics in One Lesson | Mises Institute

The key lesson though being that economic policies are often designed for the group most immediately affected, but ignore the long-term, secondary and tertiary effects on everyone else. Some great examples of this are then given. It's also all written in an engaging and enthusiastic style, making it easy to read even for the non-expert.

Amazon.com: Economics in One Lesson: The Shortest and ...

4 ECONOMICS IN ONE LESSON effects only on a special group, and to neglect to inquire what the long-run effects of that policy will be not only on that special group but on all groups. It is the fallacy of overlooking secondary consequences. In this lies almost the whole difference between good economics and bad.
